

District Leadership Team Meeting

The following components include step-by-step procedures and materials for facilitating a successful meeting:

DLT Presentation

DLT Facilitator Guide

DLT Participant Packet with Handouts

The District Leadership Team (DLT) Meeting Facilitator coordinates the presentation with school site leadership.

The Building Leadership Team (BLT) contributes site-specific information for the presentation. If more than one school is participating in the AZPLS, each BLT shares progress.

The DLT identifies how to support sustainable implementation for each school.
