### Module 3 Parent Meeting Activities

Activity 1 - Slide 9: Table Discussion

Parents share their thoughts on how Mr. Cooper supported his students. *Assigned staff members at each table facilitate discussions to identify positive results of the formative assessment.*

Activity 2 - Slide 11: Activity Cards and Activity Boards

Small groups read cards and place them under Formative Assessment or Not Formative Assessment on Activity Board. Participants give descriptive feedback as they work. *Suggestion: Assigned staff members at the tables read the cards aloud and facilitate the placement of cards and the descriptive feedback.*

Activity 3 - Slide 12: Table Discussion

Parents discuss how working together helped their understanding and how descriptive feedback supported their work. *Assigned staff members at each table facilitate discussions.*

Activity 4 - Slide 13: Partner Share

Parents share an example for using formative assessment at home with their children or another partner.

Activity 5 - Slide 15: Reflection

Parents discuss with their children or other partners how to make this formative assessment a daily conversation to be better informed about their children's learning and to be better prepared to support that learning. *Assigned staff members at each table facilitate discussion.*

### Optional

Slide 16: Thumbs Refrigerator Magnet

Give each parent a magnet to encourage them to do the formative assessment at home.

Slide 16: Parent Meeting Survey

This survey gives parents an opportunity to provide feedback at the end of the meeting.
